

of people. They are certainly qualified to receive these contracts. A mandatory DOD outreach program would make women and minority owned businesses aware of all of the contract opportunities available to them.

Facts: Small businesses are important because they:

(1) Represent 99.7 percent of all employer firms, (2) employ just over half of all private sector employees, (3) pay 44 percent of total U.S. private payroll, (4) generated 64 percent of net new jobs over the past 15 years, (5) create more than half of the nonfarm private gross domestic product, GDP, (6) hire 40 percent of high tech workers (such as scientists, engineers, and computer programmers), (7) are 52 percent home-based and 2 percent franchises, (8) made up 97.3 percent of all identified exporters and produced 30.2 percent of the known export value in FY 2007, and (9) produce 13 times more patents per employee than large patenting firms and twice as likely as large firm patents to be among the one percent most cited.

Republicans appear to be on a mission to cut programs that help families and that will buttress small businesses. At a time when there are Americans faced with the perils which arise during cleaning up after a natural disaster. Now. There needs to be a balance when determining which programs to cut and when. A balance to finding the funds that will address national disasters. A balanced approach is important to ensuring that small businesses receive the support they need. We have temporarily achieved that balance in this measure.

I stand here once again calling for measures that will advance job growth, create new jobs, and help small business. American families need measures that are job growers rather than measures that are jobs killers.

SKI AREA RECREATIONAL OPPORTUNITY ENHANCEMENT ACT OF 2011

SPEECH OF

HON. CATHY McMORRIS RODGERS

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

Monday, October 3, 2011

Mrs. McMORRIS RODGERS. Mr. Speaker, I rise in strong support of H.R. 765, the Ski Area Recreation Opportunity Enhancement Act of 2011, which updates the Ski Area Permit Act to reflect the wide range of recreational activities that are taking place at ski areas on National Forest System lands.

Having previously introduced similar legislation and as a cosponsor of H.R. 765, I have long supported this commonsense permit reform. Giving ski resorts on National Forest lands the opportunity to offer alternatives to traditional winter downhill activities year-round will help grow the economies of local communities and create jobs.

For instance, in Eastern Washington nestled among 2,450 acres of the Northwest Rockies, 49° North Mountain Resort—Eastern Washington's most family friendly resort—will be able to offer year-round family friendly opportunities. At zero cost to the taxpayers, this bill is an easy way to help increase the productivity of businesses on National Forest System lands.

Mr. Speaker, I urge all of my colleagues to support this commonsense reform that will help grow our economy while maintaining careful stewardship of our National Forest System lands.

IN RECOGNITION OF THE MEMBERS OF THE CHALDEAN AMERICAN LADIES OF CHARITY AS THEY CELEBRATE FIFTY YEARS OF SERVICE TO CHALDEAN FAMILIES IN SOUTHEAST MICHIGAN

HON. GARY C. PETERS

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Tuesday, October 4, 2011

Mr. PETERS. Mr. Speaker, I rise today to recognize the Chaldean American Ladies of Charity (CALC) as it celebrates fifty years of service to the Chaldean community of metro Detroit.

Established in 1961 by twenty women volunteers, CALC's mission has been to assist needy Chaldean families in Southeast Michigan. CALC initially focused on providing care and support to the elderly and sick, but has transitioned and expanded its services as the needs of the community have evolved.

As the greater Detroit region has developed over the last half century, Chaldean Americans have grown with it, becoming an integral part of the community. Over time, as the Chaldean population has grown and new generations have been raised outside their ancestral homeland, CALC has taken a leading role in helping Chaldean Americans preserve their culture and history. Furthermore, CALC has also become a valuable bridge to the broader community, sharing the rich history and culture of Iraqi Catholics. And most importantly, CALC has taken on the responsibility of helping newly arrived Chaldean refugees integrate and become successful members of the community by providing basic services and support for those who need more critical services.

As CALC celebrates its fiftieth anniversary, the success of the organization can be seen in its seven hundred volunteers who continue its mission of serving Chaldean families in need with a dynamic set of initiatives and programs. By collecting and distributing essential supplies to newly arrived Chaldean refugees and families facing obstacles, CALC is the most crucial community support mechanism. Today, CALC provides a comprehensive set of youth programs that provide cultural, educational and recreational enrichment opportunities to promote strong scholarship and citizenship in Chaldean American youth. A fully developed series of programs for families in need provides educational scholarships, essential material assistance in food and clothing and free health services to uninsured families. In order that its mission endures, CALC's Chaldean Angels program teaches the next generation of young women the importance of community service. Under the leadership of my friend, President LeeAnn Kirma, CALC not only supplies precious material resources, but brings hope to the dispirited.

Mr. Speaker, as the Chaldean American Ladies of Charity celebrates its fiftieth anniversary, I rise to join its members and honor their decades of service to Chaldean families across Southeast Michigan, which has greatly

strengthened and enriched the metro Detroit community. As CALC continues its mission, I look forward to continuing my work with its members in our shared goal of building a bright future for Michigan and putting the American Dream within reach for all.

Ms. BORDALLO. Mr. Speaker, I rise today to congratulate the people of Taiwan on the celebration of the 100th anniversary of "Ten Ten Day."
